Gladness Comes

Gladness Comes
With a better understanding of the
transient nature of the many physical ills, which vanish before proper efforts-gentle efforts-pleasant effortsrightly directed. There is comfort in
the knowledge, that so many forms of
sickness are not due to any netual disease, but simply to a constipated condition of the system, which the pleasant
family laxative, Syrup of Figs, promptly removes. That is why it is the only
remedy with millions of families, and is
everywhere esteemed so highly by all
who value good health. Its beneficial
effects are due to the fact, that it is the
one remedy which promotes internal
cleanliness without debilitating the
organs on which it acts. It is therefora
all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co, only and sold by
all reputable druggists.

If in the enjoyment of good health,
and the system is regular, laxatives or
other remedies are then not needed. If
afflicted with any actual disease, one
may be commended to the most skillful

chase, that you have the genuine article, which is manufactured by the California Fig Syrup Co, only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If affilied with any notial disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the vell-informed everywhere. Syrup of Figs stands highest and is most largely Sed and gives most general satisfaction.
